

Opportunity Open Source Conference 4.0

Hosted by IIIT Allahabad

Sponsorship Brochure

About Us

We are thrilled to announce that the Opportunity Open Source Conference (OOSC) 4.0 is being organized by the students of IIIT Allahabad. After three phenomenal editions hosted by renowned institutes like IIT Mandi and IIT Kanpur, IIITA is proud to carry this legacy forward and host the largest open-source gathering in Uttar Pradesh.

As one of the biggest technical events on our campus, OOSC 4.0 brings together developers, open-source contributors, industry mentors, and technology enthusiasts from across the community. It is a space dedicated to building, learning, and celebrating the collaborative spirit of the open-source ecosystem.

Why Sponsor Us

By sponsoring OOSC 4.0, your brand becomes an integral part of this massive milestone event. Your support directly funds the ecosystem—covering the travel and accommodation of global speakers, powering the hackathon infrastructure and problem statements, and providing an unforgettable experience for attendees.

Our Legacy of Excellence

IIIT Allahabad has a rich history of executing high-impact technical events at scale. Partnering with OOSC 4.0 means aligning with a developer community that consistently delivers massive success.

Our Past Events Include:

- **Hack In The North (HITN):** One of India's largest and most celebrated student-held hackathons, bringing together thousands of developers from across the nation to build, innovate, and deploy solutions in just 36 hours.
- **Capture The Flag (CTF):** High-stakes, intensely competitive cybersecurity challenges that attract top-tier security enthusiasts, hackers, and problem-solvers.

Key Benefits

- **Targeted Brand Visibility:** Put your tools and brand directly in front of hundreds of engaged developers, student innovators, and seasoned industry veterans.
- **Elite Recruitment:** Connect directly with the brightest minds at IIIT Allahabad and beyond—students who are already mastering complex algorithms, building robust systems, and actively contributing to open-source.
- **Community Impact:** Align your company with the open-source movement and help mentor the next generation of top-tier developers.

Special Guest

We are incredibly excited to welcome **Till Kamppeter (Germany)** as our special guest speaker.

As a **Linux Foundation Fellow, Leader of OpenPrinting, and a veteran Google Summer of Code (GSoC) Mentor**, Till brings decades of unparalleled experience to OOSC 4.0. His presence highlights the global reach, deep technical caliber, and exceptional mentorship opportunities available at this year's conference.

Past Speakers & Mentors

Highlights from OOSC 3.0 at IIT Kanpur

- **Foundation Leaders:** Till Kamppeter (Linux Foundation Fellow), Shuah Khan (Linux Foundation), and Manuel Haro (Gnome Foundation).
- **Industry Titans:** Senior engineers and technical leads from Google, Qualcomm, Red Hat, Nokia, and Canonical.
- **Founders & Innovators:** Yuning Liang (Founder, Deep Computing), Oliver Völckers (CEO, BeST), and Saiyam Pathak (Founder, Kubesimplify).
- **Academia & Research:** Eminent faculty and researchers from UCLA, Cambridge University, IIT Bombay (FOSSEE), and IIT Kharagpur.
- **Open Source Veterans:** Numerous GSoC Org Admins, mentors, and core contributors for projects like Ubuntu and LibreOffice.
